“ Working at conTeyor is MAD. ”

Working at conTeyor is MAD. MAD stands for Making A Difference, and that is what every conTeyor colleague does, every day. We all Make A Difference. For ourselves, our team, and foremost for the customer, as we all contribute to delivering that excellent service.

conTeyor is **an international player** in the development and supply of reusable packaging solutions for delicate manufacturing parts (for 90% in the automotive sector). The organization has been developing and producing patented sustainable solutions in textiles, plastic and steel since 1995 and has been a **market leader in Europe** for more than 25 years. www.conteyor.com

To sustain its growth in **the US Market** the company is looking for an energetic and driven (M/F)

SENIOR BUYER NORTHERN AMERICA

With knowledge of Automotive Packaging

YOUR ROLE : Procurement management & Logistics

- As Senior Buyer, you ensure optimum sourcing of goods, materials and services to support the company operational needs and perform procurement in the most cost-effective manner.
- In close collaboration with Key Stakeholders within the organization, you drive efforts to improve operational efficiency, add value and anticipate supply risks in order to achieve objectives. Continuous improvement efforts focus on making sustainable gains in quality, costs and delivery.
- You assess and define Key Suppliers, build relationship with them, negotiate contracts and ensure compliance with conTeyor purchasing policies and procedures. You also conduct regular supplier business reviews to evaluate supplier performance and drive improvements.
- The organization of the domestic and international logistic means to ensure a just in time delivery at customer's is part of your major responsibilities.
- You also play an active role in the professional development of other colleagues in the sourcing team by training and mentoring them.
- You are working in our office in Madison Heights, MI and regular travel is required.

YOUR PROFILE: Purchasing Professional with Supply Chain knowledge

- You have a Master's degree with a proven track record in a purchasing role preferably in the automotive manufacturing sector. The knowledge of automotive packaging is required as well as a good understanding of automotive processes & components and supply chain management.
- In your career, you have worked effectively in cross-functional teams to resolve procurement issues and you had the opportunity to create and implement strategies that align operational requirements with corporate objectives.
- We are looking for a driven purchasing specialist experienced in building relationships with key stakeholders and suppliers as well as skilled in negotiation, risk management, cost reduction, networking and continuous process improvement.
- You are a team player with effective decision making and problem-solving skills.
- The position requires the ability to work under time pressure, flexibility in action and strong organizational skills as well as positive problem-solving attitude.
- Fluency in English is required and the knowledge of Spanish is a strong asset.

What can conTeyor offer you?

- A unique opportunity to join an international, innovative company that offers high-quality products and present in 34 countries across Europe, the United States and South America.
- A company that has sustainability in its DNA.
- An environment with a strong company culture based on trust, integrity, and respect for the individual.
- A position where you can use your knowledge and experience to further develop operations in a work environment where innovation and initiatives are stimulated.
- Autonomy in the organization of your time and of your responsibilities.
- A human scale organization with short decision lines that encourages creativity and initiatives and can offer international career opportunities.
- A competitive fixed salary combined with attractive fringe benefits.
